## Art Carnival

An Art Carnival for children was organised on January 22nd to help them grow more aware of various skill sets, as part of their learning programme. The students of Al Madrasah Jamaliyah and their Parents participated in this program.

The event covered five different art forms, mentioned as below -

- 1) Drawing
- 2) Painting
- 3) Calligraphy
- 4) DIY
- 5) Sketching

Approximately 100 students participated in this programme, and showcased their various talents.

## Sports Event

As a part of the Learning Program at Al Madrasah Jamaliyah, a Sports Day was organised on the 6th of February. Over 175 students from Kindergarten to Class 10 belonging to Madrasah Jamaliyah - and other Madaris Imaniyah of Bangalore - participated.

The event commenced with the Tilawat of The Quran-e-Majeed and recitation of Dua, followed by the Sports activities. Various Individual and Team Games were arranged for the students. Badminton, Table-Tennis, Carrom, and Athletics featured under Individual Games; and Cricket, Football, Tug-of-War, and Dodge Ball under the Team Games.

## MSB - NATIONAL SCIENCE REPORT

MSB Educational Institute Bangalore celebrated the National Science Day with enthusiasm by involving students in various activities. Activities suggested under "Project Rise" were also incorporated.

Students of class IX visited an old age home and served breakfast to its residents. Students of I to X supported this effort by contributing generously to the cause.

Students of classes IV to VII prepared bird feeders by reusing materials available at home and mounted them on trees in the school campus. They fed the birds sunflower seeds.

Students of classes VII and VIII prepared masks and cloth bags that are reusable to evoke the concept of reduce and reuse.

Students of classes I to VIII transformed into explorers, researched and displayed interesting science experiments, designed charts and working models using materials available at home. They presented the concepts of density, magnetism, hydraulic pressure in their experiments and models. "Scientific practice involves the construction, validation and application of scientific models' - This was seen in the designs of a few STEM models.

A talk on Cancer Awareness was organised by the school for the Students and Parents of classes V to X. This programme aimed at creating awareness about cancer prevention, early detection and treatment. Dr. Farida Ben Bengali spoke about these topics including a brief insight into food habits and the lifestyle changes that must be a part of everyone's life.

MSB Bangalore aims to kindle a scientific temper in the students by participating in these exploratory activities.

## “Hubbul Watan e Minal Eimaan” Rasulullah (SAW)

In the light of the mentioned Hadees, and to express their patriotism to their beloved nation, the students of Al Madrasah Jamaliyah, Saifeenagar, organised a commemorative event on the 26th of January, the Republic Day of India. Many students participated in this program.

The event commenced with the Tilawat of The Quran-e-Majeed followed by a student presenting a speech. The students of the 7th standard recited a few stanzas from the revered nazam “Allamal Insaana Ma Lam Ya’lam”. Later, Janab Aamil Saheb unfurled the National flag.

## Throwback - Fakhri markaz redevelopment project

With the Doa and Nazar Mubarak of our beloved Aqa Moula (TUS), Saifeenagar Bangalore has undertaken the construction of a brand-new state-of-the-art smart kitchen for Faiz-al-Mawaid-al-Burhaniyah and a spacious Mawaid to cater to the growing needs of the community. Furthermore, we have also taken up the retro-fitting of the existing markaz to repurpose it into offices, residences and Haveli Mubarak.

The construction of the same started under the guidance of Shz. Qusai Bhaisaheb (DM) & Abd-ut-Taiyeb Bhaisaheb on the auspicious occasion of Milaad Imam-uz-Zamaan on the 4th of Rabi-ul-Akhar 1443, i.e 9th November 2021. The total area of construction undertaken is approximately 39,000 sq ft with provision for future expansion. Both structures have an arcade facade with planters to add life to the existing complex.

MAWAID MAIN ENTRY DAY  
SAIFEENAGAR BANGALORE

The Mawaid structure will house the Faiz-al-Mawaid-al-Burhaniyah kitchen on the ground floor with ample parking space provided. The floors above will cater to all the mawaid needs of the jamaat. The renovated structure on the south side will house the jamaat and Umooor offices as well as the residences of the Maollims and khidmat guzaars, with the crown jewel being our Moula's (TUS) Haveli Mubarak.

We seek our Moula's (TUS) nazaraat and Doa for an expeditious completion of the project so that Aqa Moula (TUS) can perform Iftetah of the same.

# Shk Zulfiqar bhai Fakhri - Eulogy

It is a sad feeling to be writing the eulogy of a distinguished luminary - Shk. Zulfiqar bhai Fakhri, a prominent member of Bangalore Jamaat, and erstwhile Hon. Secretary.

Shk. Zulfiqar bhai had achieved significant milestones in his illustrious lifetime, while carrying out Khidmat in all three facets - personal, business, and religious. An epitome of faith, he was the Hon. Secretary of MSB. It was under his stewardship that the International MSB Sports Meet was held and the new spacious MSB we see today was constructed.

In his time as the Hon. Secretary, he strived tirelessly in doing Khidmat of The Dawat, and was instrumental in the inception and completion of Mohammedi Masjid, and the subsequent Iftetah by Aqa Moula (TUS).

He had a keen acumen and a prudent approach to the fiscal discipline for all organisations of the Jamaat. We remain indebted to him for his astute foresight in the betterment and progress of Bangalore. He was a visionary, and will be remembered in the hearts of all of Bangalore's mumineen.
